

## CS3630DA(H4Z)

### Chain Saw

36V Cordless Chain Saw

Barcode 4966376331673

**NEW**

Longer run time per charge due to high efficiency brushless motor

Uses the new Multivolt battery which can be switched with 18V and 36V automatically

Triple edge blade ensures a fine cut

#### Specifications

Battery Voltage	DC 36V (Multivolt type)
Guide bar length	300mm
Chain speed	8.3 m/s
Type of chain	91PX 45E (Oregon)
Cut per charge*1	190 cuts
Chain adjuster	Toolless
Vibration level under load	5.0 m/s <sup>2</sup>
Noise level under load	87dB (A)
Carbon brush	Built-in
Spike	Steel
Charging Time	32mins
Dimensions (LxHxW)	599 x 214 x 256mm
Weight	4.3kg (inc. battery)

\*1: When cutting 50mm x 50mm cedar timber

#### Included accessories

- Chain cover
- Lubricant oiler
- Hex bar wrench 4mm

#### Selling Points

- Longer run time per charge due to high efficiency brushless motor
- Uses the new Multivolt battery which can be switched with 18V and 36V automatically
- Triple edge blade ensures a fine cut

#### Features

- High cutting performance per charge
- LED light indicator
- Mechanical kick-back brake
- Compact rear handle design for greater control

#### Applications

- Cutting of timber and logs
- Pruning, felling of garden trees
