

### CJ36DB(H2Z)

#### Jig Saw

36V Cordless Jig Saw with Barrel Handle

Barcode 4966376331147

**NEW**

\*Dust collector cap not included

**Brushless DC motor**

**Tool-less blade changing system**

**4-stage orbital operation**

#### Specifications

|                        |                 |                                 |
|------------------------|-----------------|---------------------------------|
| Cutting Capacity       | Wood            | 160mm                           |
|                        | Mild Steel      | 10mm                            |
|                        | Stainless Steel | 3.2mm                           |
| No-Load Speed          | Standard Mode   | 800 - 3,500 min <sup>-1</sup>   |
|                        | Auto Mode       | 1,400 - 3,500 min <sup>-1</sup> |
| Stroke                 |                 | 26mm                            |
| Minimum Cutting Radius |                 | 25mm                            |
| Maximum Cutting Radius |                 | 45° (right and left)            |
| Type of Motor          |                 | Fan Cooled DC Brushless         |
| Type of Switch         |                 | Slide switch                    |
| LED Light              |                 | White LED                       |
| Weight                 |                 | 2.7kg (inc. battery)            |
| Dimensions (L x H)     |                 | 299 x 175mm                     |

#### Selling Points

- High cutting performance
- Brushless motor
- Constant speed control maintains constant plunger strokes
- Suitable for cutting under high load
- Switches on both sides
- LED light ON-OFF mode

#### Features

- Auto mode
- Brushless DC motor
- Tool-less blade changing system
- 4-stage orbital operation

#### Included Accessories\*

- Jig Saw Blade No.41 (for wood)
- 4mm hex. bar wrench
- Chip Cover
- \* Battery not included

#### Applications

- Cutting various timber and pocket cutting
- Cutting mild steel plate, aluminium plate, and copper plate
- Cutting synthetic resins, such as phenol resin and vinyl chloride
- Cutting thin and soft construction materials

**6 YEAR**  
POWER TOOLS  
WARRANTY\*

\*6 year warranty on selected products with online registration.
