

CM5MA(H1Z) AC Wall Chaser

Barcode 4966376338535

High cutting performance

Efficient cutting speed

Constant speed control

Specifications

Voltage	230 V
Rated input power	1,900 W
Minimum cutting depth	10 mm
Maximum cutting depth	40 mm
Maximum cutting width	35 mm
Diameter of diamond cut-off wheels	125 mm
No-load speed	5,000 mm
Vibration level under load	5.5 m/s ²
Noise level under load	111.3 dB (A)
Weight without cable	4.7 kg
Dimensions (L x W x H)	437 x 195 x 175 mm

Features

- Maximum cutting depth of 40mm and 35mm wide
- Large asymmetric handles for user comfort when cutting vertically and horizontally
- Push cutting for optimal view of the marking line
- Easily attaches to a vacuum cleaner to collect dust

Included Accessories

- 2-hole spanner
- Chase chisel
- Plastic case

Optional Accessories

- Part no: 4100298 Diamond wheel- 2 rows (20mm width)
- Part no: 4100299 Diamond wheel- 3 rows (30mm width)

Selling Points

- Robust and durable construction
- Restart protection and soft start feature
- Overload protection

Applications

- Cutting or slitting channels (chasing) in concrete, masonry and stone for laying cables, water lines and pipes
