1x WH18DE 18V Brushless Impact Driver

2x BSL36A18 18V 5.0Ah / 36V 2.5Ah
Multi Volt Battery

1x UC18YSL3 18V Rapid Charger with
USB port

Features

DV18DE (H4Z) - 18V Brushless Impact Driver Drill

Compact, powerful brushless model, with superior handling

Heavy duty 13mm single sleeve metal keyless chuck with automatic spindle lock

Maximum torque of 70Nm

RFC (Reactive Force Control)

WH18DE (H4Z) - 18V Brushless Impact Driver

Compact and easy to use with a 120mm long in head length

Powerful Tightening Torque of 175Nm

The WH18DE impact driver stays running at low speeds and is suitable for delicate work

Along with a low minimum speed of 100rpm, the highly responsive trigger has less play in it than conventional impact drivers and is more responsive and easier to control.

Included Accessories

Driver bit, Hook
