NEW

LIGHTER

With an ultra-lightweight design from **just 3.4 kg**, HiKOKI nailers help reduce fatigue and improve control – so you can keep working comfortably, all day long.

FASTER

Engineered for rapid firing and consistent driving performance, HiKOKI nailers are built to keep pace with demanding jobs – helping you get more done in less time.

NO GAS, NO LIMITS

Powered by an advanced 18V battery, there's no need for gas cartridges. That means less maintenance and the freedom to work wherever the job takes you.

And on top of that you can save $$$ on running costs compared to gas powered nailers!

THE NEW BENCHMARK FOR PROFESSIONAL FRAMING

NEW

MV Compatible

Next-generation battery system offering unparalleled flexibility. The HiKOKI MultiVolt battery seamlessly switches between powering 36V tools and virtually all HiKOKI 18V tools, giving you unmatched convenience and versatility.

BRUSHLESS

HiKOKI brushless AC motors deliver greater durability and longer life even under heavy use. There are no carbon brushes to regularly replace and no risk of armature burnout, layer short or commutator wear.

AIR SPRING DRIVE SYSTEM+

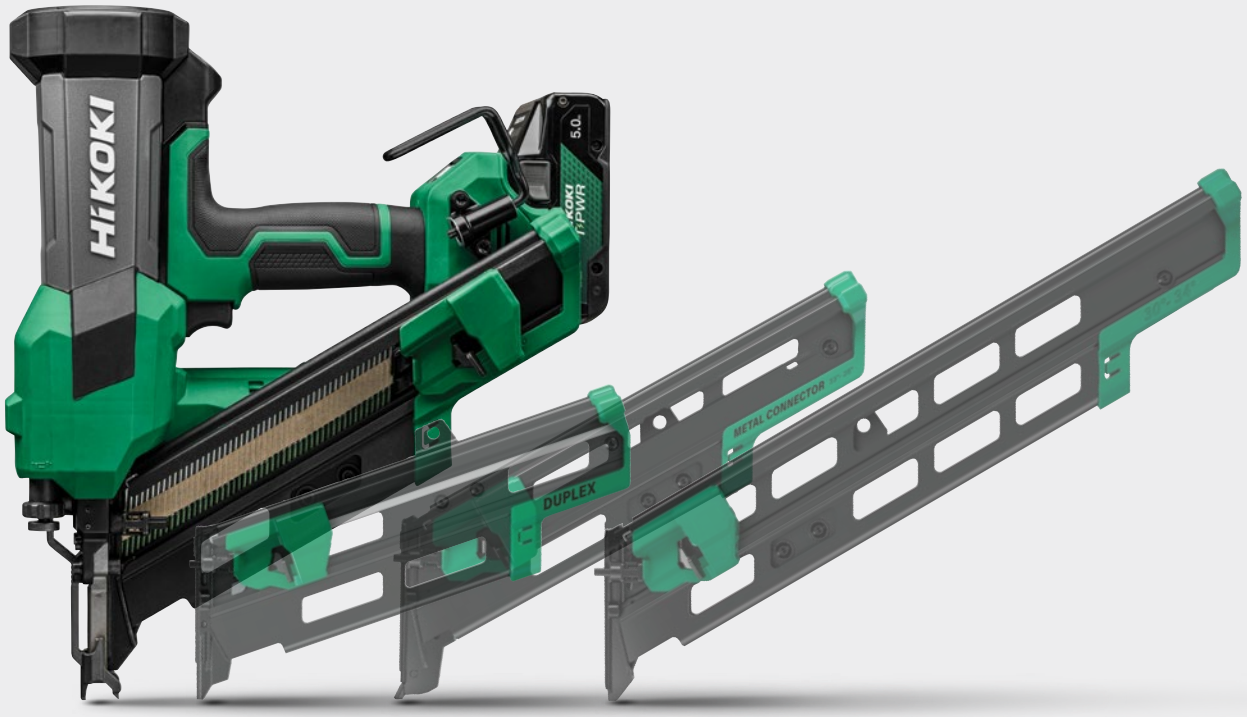

You no longer have to buy gas cartridges with our unique Air Spring Drive System which uses compressed air and produces no combustion noise or gas fumes. Another benefit is quicker nailing with zero ramp-up time.
